### — Toplifting services

#### Rent from Toplifting

Contact us for more information if you are not sure which crane or accessories are best suited for your project.

At Toplifting, you are assured of the latest and best-maintained equipment. We guide you in selecting the mini crane and/or accessories that best suit your specific project.

All our mini cranes can be operated by you or your team. We always provide a short training session (in Dutch, French, English, or Romanian).

During the rental period, you can also rely on our technical support. Do you experience a defect or problem during the rental? We assist you immediately with a solution or a replacement machine, ensuring that your work is never interrupted.

Price list – version: 17/12/2025

This price list is informative and non-binding. Prices, specifications, and availability may be changed without prior notice.

All prices listed are excluding VAT, unless stated otherwise. Toplifting reserves the right to change prices at any time without prior notice.

Toplifting takes the greatest care to ensure the accuracy of the information contained in this price list. However, errors may occur. Toplifting cannot be held liable for any typographical errors or inaccuracies.

Product availability depends on current stock. Inclusion of a product in this price list does not mean that the product is always available.

This price list replaces all previous versions.
